Re: Errol Lee – Caring Concerts

As the Mayor of the City of Barrie, I have had the opportunity to see the work of Errol Lee and his Caring Concerts, and the positive impact it has in our community.

As a successful singer, songwriter, dancer, recording artist, performer, author and motivational speaker, Errol has continued to share his time and talents with the community for over a decade, spreading his message of the importance having a good character and being a positive force in your community.

His message of care for community has been shared throughout our school system, our celebratory festivals and special events, as well as notably in our citizen swearing in ceremony to welcome new Canadians when they were held in our city. In recognition of his dedication to community and the arts, the City of Barrie formally recognized Errol with the Barrie Arts Award for Contribution to the Community.

Errol and the Caring Concerts team make the world a better place and I am pleased that his work continues, supporting caring and equity in communities, as we need this message more now than ever.

Sincerely,

Jeff Lehman
Mayor
