To Whom It May Concern:

Re: Mr. Errol Lee

It is my pleasure to provide the following as my reference for Errol.

On November 22nd and 23rd, 2004 we were fortunate to have Mr. Errol Lee bring his presentations to all the students in the Almaguin Highlands. His presentations, geared at age were presented to students from Junior Kindergarten to Grade 12.

To say the least, each performance was very powerful! Errol genuinely believes in the messages of cultural diversity, self worth, respect, love and friendship and character. These messages can only have a positive effect and motivate young people to make our world a better place than it is today.

Soliciting the students participation, delivering spoken messages and then incorporating music and dance he had students engrossed in his presentations. He unquestionably left students with a "feel good" sense about life and themselves.

Errol is a very effective speaker and obviously an accomplished entertainer and I would not hesitate and highly recommend Errol Lee to any school or youth group!
